

Starting your family history

Across

4. The research to create our family tree
8. A useful document that you can order from <https://www.gro.gov.uk/gro/content/certificates/login.asp>
10. You can find the names of the mothers of the bride and groom on an England or Welsh marriage certificate, true or false?

Down

1. What is your aunt's child's relationship to you?
2. On the census 'Do' is an abbreviation of what?
3. The word for copying old records, for instance typing them up in a more legible form
5. When beginning your family history, who is the person you are usually recommended to start with?
6. The name of Britain's longest running family history magazine, started in 1984
7. The term used to describe the person in charge of a household on the census records
8. The name of a record taken every 10 years, that is useful for tracing ancestors between 1841 and 1911?
9. A test that family historians are increasingly taking to help them research their ancestral lines
