In addition to the aforementioned features and regular focus topics, we always welcome news about the following:

- Legislation affecting growers, suppliers or retailers
- Personal success stories / appointments
- Research findings and news about new research being undertaken
- Shows/open days/conferences
- Herbicides and pesticides
- Retail and supply chain news

Please send your synopsis or contribution idea to StephanieCornwall@warnersgroup.co.uk three weeks prior to the deadline date for that issue, for consideration. Approved articles would need to be submitted, with any relevant imagery, by the deadline dates given.
