Promote your auction to thousands of collectors

We're giving you the chance to become an Auction Partner on the www.allaboutstamps.co.uk website – put simply, you'll have your own section of the website in which to promote your company, auctions, results, and news (just send us the news and pics and we'll do the rest).

Your logo will appear at the top of the Auctions section and on your own dedicated pages.

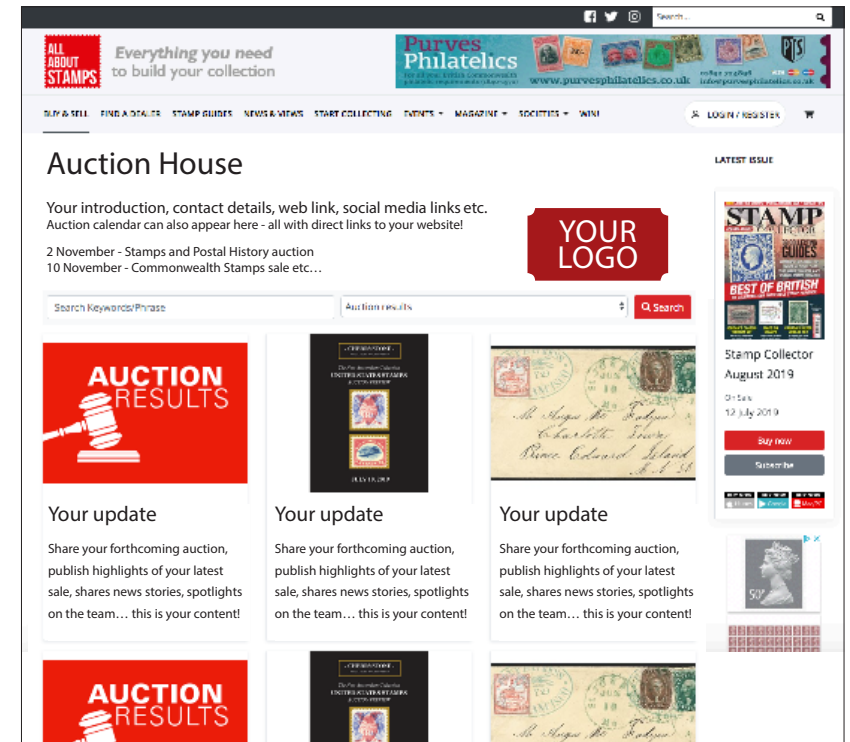

Book your package for just £200 per month/auction

You will reach an audience of over 30,000 stamp collectors:

- **Your dedicated section** in the 'Auctions' section of the website (your logo, intro and contact details at the top)
- **A web page for each of your updates** – just provide your copy and images, and our team will publish the article in your section (maximum of two articles per month, your articles will stay on the site indefinitely, and we'll also post about them on social media).
